Got Static?

Put a pin in it.
Literally.

Putting a pin in static-y clothing will remove that annoying static electricity.

Stain SOS

- **Red wine**

Immediately add club soad... or white wine.
Yes. I'm serious.

- **Deodorant**

Baby wipes. The end.

- **Oil**

Apply powder to soak

Smoothing Layered Shirts

When layering a dress shirt with a sweater, add a tank on top of the dress shirt before putting on your sweater.

Viola! No more bunching up!

or you can get this one piece layered look [here](#)
